## Nombre ventes

The figure consists of a vertical column of twelve light gray rectangular boxes, each labeled with a month from "Mois 1" at the top to "Mois 12" at the bottom. To the right of this column is a large, irregular gray shape representing the total sales volume. This shape is divided into four sections by three red dashed vertical lines. At the very bottom left, the text "TOTAL VENTES" is written in a bold, black, sans-serif font.
